Subject : Use of Child Restraint System or Device

With reference to the Previous correspondence regarding the above, please be informed that DGCAM Flight Safety Department has no objection for you to use the Child Restraint System or Device (CRS/D) approved by the FAA in accordance with 14CFR 21.305(d).

However, it's advised that prior to grant the requested approval, RFO should ensure that the below mentioned items are met and relevant documents are submitted to this office for review and approval.

- 1- Appropriate training to the crew.
- 2- Applicable Manuals are amended to include usage and maintenance /inspection of the safety device.
- 3- Only approved Child Restraint Devices are to be used.
- 4- Location of the devices in the cabin is appropriately identified.

Best Regards
